Who is SASMA?

A Message from the EO

The South Australian Sports Medicine Association (SASMA) prides itself on being a truly multidisciplinary organisation, bringing together the various sports science and medicine discipline groups in Australia under one common umbrella.

A significant part of SASMA's activities are devoted to ensuring Medical and Allied Health Professionals have access to quality education, networking and professional development opportunities.

Through education we aim to "Make Sport and Exercising Safer". We offer a range of educational / professional development opportunities for Medical and Allied Health Professionals

Medical and Allied Health Professionals are able to join SASMA as a Professional Member, which includes free access to all the Professional Members Education Series and a discounted rate to all other educational opportunities.

To seek further information on becoming a Member with SASMA visit the 'Members' page on our website (www.sasma.com.au).

If you are interested in becoming a Member of our association. Please complete a [Membership form](#) and send it to admin@sasma.com.au or PO Box 219, Brooklyn Park, SA, 5032.

We look forward to having you on board!

Daniel Clark
Executive Officer
SA Sports Medicine Association

Get in Touch

If you have any queries regarding the professional development opportunities we conduct or Membership please do not hesitate to contact me (08 8234 6369 or members@sasma.com.au)

Hear more about what some of our SASMA Members have to say about their Membership:

"The biggest value of my Membership with SASMA is the opportunity to build relationships with colleagues in the various sports science and medicine discipline groups in Australia. SASMA provides phenomenal education, networking and quality professional development opportunities."

Member Benefits

Being a Member of SASMA allows you to have free access to all the Professional Members Education Series and a discounted rate to all other educational opportunities.

On top of this SASMA Members have access to:

- *Online Membership Directory* active on the SASMA website, enabling the sport and exercise medicine community and general public to search for your professional details.
- *Videos and Podcasts* available online through the Members Portal of previous education sessions and other hot topics.
- *Community Engagement* is a priority for SASMA by providing opportunities for Members to present at courses run for Accredited Sports Trainers, State Sporting Organisations, Sporting Clubs and Councils in the local area of our Members. This is a great opportunity for Members to promote themselves to the general community.

Find a Sports Medicine Professional

NETWORKING

Networking with other Medical and Allied Health Professionals, from a range of disciplines, who have a shared interest and passion in sport and exercise medicine.

SASMA holds a variety of programs, events and workshops which all incorporate networking opportunities with industry professionals and maximize exposure to other SASMA Members and the broader community.

What else do we offer?

We offer a range of educational / professional development opportunities for Medical and Allied Health Professionals including:

- The SASMA Conference* is held annually and takes a multi-discipline approach to its conferences. Gain insight from high profile speakers and renowned experts presenting throughout the day.

- Professional Members Education Series* is aimed at providing Medical and Allied Health Professionals with education on a range of topics from a multidiscipline approach with take home messages to use in your practice. A minimum of 3 are held each year.

Sneak peek: We have made our webcast from our last Members Education Series available for you access and test out for yourself.

- Master Class Sessions *

Provides Members with a focus in their disciplines, with a particular focus on accelerating a practitioner's practical knowledge and skill set.

- University Education Sessions *

Provides further education sessions for undergraduate students at which our experienced members can share their greater knowledge and expertise.

These events are available not just in person but also via a live webcast allowing you to be able to participate in the sessions from the comfort of your own home.

Sports Medicine in General Practice Course

The Sports Medicine in General Practice Course is a 3 and a half day course targeted at improving GP's examination, diagnostic and management skills in the area of musculoskeletal and sports medicine.

*See our latest news article about the course go to:

MEMBER RECOGNITION AND ACKNOWLEDGMENT

Member of the Month

SASMA enjoy acknowledging the hard work and dedication our Members put into the health and sporting community by recognising a Member each month. The 'Member of the Month' can be a SASMA Member (Professionals, Students, Sports Trainers, Recent Grad, Associate Members) who has worked away with sporting teams or a Member that has undertook important research relating to their discipline.

If you or anyone you know has accomplished an achievement or been involved in activities as such, we invite you to let us know by submitting a 'Member of the Month' to admin@sasma.com.au! The Member of the Month will be posted on the SASMA [latest news page](#) every month.

SASMA Member working with the Hockeyroos

May 14, 2019 44 44

One of our SASMA Members, Tim Bass from My Physio SA had the opportunity to work with the Hockeyroos in NZ and Argentina as a physiotherapist. Hear about his experience!

One of our SASMA Members experience working at the Superloop Adelaide 500

March 29, 2019 194 194

In February 2019, one of our SASMA members, Harmeet Singh Sethi had the opportunity to work at the Superloop Adelaide 500, formally called Clipsal 500 as a physiotherapist. Hear about his experience of working at the Superloop Adelaide 500.

SA Sports Medicine Association is proud.

August 24, 2018

Well would you look at that! Some of our Sports Trainers **Kylie Doecke** and **Vivien Bing** Starring on a double page spread in the **Vitality South Australia 2018 Magazine**! It is because of Trainers Like you that help make things happen!

Volunteers travel to Gold Coast

Gold Coast 2018

"Without the volunteers, the event just wouldn't be possible."

The Gold Coast 2018 Commonwealth Games is a major sporting event, and it wouldn't be possible without the dedication and hard work of the volunteers. The Gold Coast 2018 Commonwealth Games is a major sporting event, and it wouldn't be possible without the dedication and hard work of the volunteers. The Gold Coast 2018 Commonwealth Games is a major sporting event, and it wouldn't be possible without the dedication and hard work of the volunteers.

Join the SASMA family today and start receiving the many benefits

When you become a SASMA member you will also provide a 'Member of' logo that can be used on your website and promotional tools. Through our community programs we are encouraging sporting clubs to refer to SASMA Members. This is a good way for the community to recognise a SASMA member when they see it on your website or flyer!

A Membership with SASMA Comes in many different forms, to see an overview of the different Membership categories go to: <https://www.sasma.com.au/Members/MembershipInformation.aspx>
