🟡 SPORTS TRAINER WANTED – 2027! 🟡

Are you passionate about sport, player wellbeing and being part of a great community?

Hummocks Watchman Eagles Football Club is looking for a **Sports Trainer** to join our dynamic, family-friendly club for the 2027 season!

This is a fantastic opportunity to become part of our club community, support our players and play an important role in keeping our teams healthy, safe and ready to take the field.

Duties:

- Tape players for preventative or rehabilitation purposes
- On game days, provide an on-field service to players; assess injuries and recommend appropriate treatment
- Maintain adequate medical supplies (tape etc.) and the sports trailer for training and home & away games
- Monitor players' rehabilitation and liaise with coaches about players' progress and readiness to resume training/games
- Refer players for specialist treatment where required

We'd love you to have:

- A great work ethic, positive attitude and enthusiasm
- Excellent communication skills
- Availability to attend training **Wednesday nights - from February to September**
- Ability to commit to **Saturday/game days from April–September**

Requirements:

- CPR / First Aid Certificate
- Working With Children Check
- Completion of **Level 1 Sports Trainer course**
(We can subsidise the cost of completing this course if necessary.)

Remuneration: Remuneration is available for the season.

If you're looking to get involved in a supportive, community-focused sporting club and make a real difference to our players, **we'd love to hear from you!**
